

Who We Are & What We're About:

The focus of ALC is on Christ and what he has already given each believer – His Life indwelling is all that is needed. There is nothing that the nearness of Christ cannot overcome in any person's life.

Jesus Christ came to make a significant impact upon man. In His own words, He says, "I have come that they might have life; life in all its fullness." (John 10:10) Every believer has escaped eternal hell, however, few find victory over the daily hell in which they live. Bondage to adverse circumstances, people's sin and past events continues to steal abundant life from God's children. Abiding Life Ministries Canada is an evangelical discipleship ministry committed to helping believers see victory over the daily obstacles of life.

God allows problems in His children's lives to bring them into a dependent relationship with Himself. As believers allow life's problems to bring them into His presence, the purpose of the problem has been fulfilled. Our goal through ALC is to share in the call of the apostles, "Go...and tell the people the full message of this new life." (Acts 5:20)

There is nothing the nearness of Christ cannot overcome!

Abiding Life Ministries International had its beginning in 1972, when the Lord burdened the heart of Michael Wells to minister to defeated Christians. In subsequent years, through many hours of individual discipleship, the simple teaching of abiding in Christ moment by moment was revealed as the answer for abundant living. ALMI has labored to make this message uncomplicated and reasonable; the answer for defeat must be simple and within the grasp of the very weakest person, for the gospel is available to all.

Abiding Life Ministries Canada was established in January 2004 echoing the heartbeat of ALMI. At that time the main function of ALC was to facilitate the distribution of ALMI resources and present several conferences throughout Canada to assist believers in their journey of abiding in Christ. Since then ALC's vision has expanded. Chad Salyn, Executive Director of ALC, has answered the call to full-time ministry with Abiding Life Ministries Canada. Chad's own life having been greatly impacted with this Truth is excited to share with any who are willing to listen.

Abiding Life Conference

Abiding in Christ, Moment by Moment....

In 1999 the truth that Life is only found "in" Christ really took hold in Chad's life. It has been a reoccurring theme throughout his life- even as a little boy he sang a simple tune, "For me to live is Christ." When entering bible college Jesus impressed upon his heart to, "Wait for your foundation before you build your house," And then again through a dear brother's encouraging words, "Chad, God has been preparing you for this...well...since birth." God's leading and call has never been so evident and Chad's desire is to share this simple yet profound message of abiding in Christ.

PURPOSE OF THE SEMINAR

The purpose of the seminar is threefold:

FIRST, to encourage every person in a practical and fresh way to discover what Christ has done, is doing, and continues to do for the believer. The hope is for individuals to recognize their weakness and realize His strength is what's needed in all areas of life.

SECOND, it is our hope and prayer that many who attend will come to understand that they possess all that is needed to serve, disciple, and build up others. The outflow of the seminar is to have its greatest impact upon each individual person and their relationships with others.

THIRD, the seminar is to be used as an outreach of the church. We want to encourage believers and unbelievers alike to discover that Jesus does not merely deliver from hell in the future, but also from the daily hell that so many experience.

Chad Salyn has a heart for the broken, and God continues to work through him to impact the lives of others with the message of abiding in Christ. He has also served as a pastor for twelve years in the local church before moving full time with ALC.

Chad and his wife Tracy married in 1997 and are blessed with three children Madisson, Paige, and Aiden. They currently reside in Provost, Alberta.
